What are the standard features that will be provided in my apartment or cottage? Each of the apartments and cottages at Emerald Heights comes equipped with a full kitchen, which includes a full-sized range/oven, dishwasher, microwave, garbage disposal, and refrigerator with automatic ice-maker.

Your apartment or cottage will also contain its own heat pump, so you can control both heating and air conditioning for your home. And when the fresh air and mild climate of the Pacific Northwest beckons you outdoors, you can step out to your own private patio or balcony.

Is there high-speed Internet access available? Yes. High-speed connection to the Internet is available for a reasonable fee through Emerald Heights’ cable TV provider.
